BOOKING POLICY :

Tour package booking policies typically require advance reservations, with confirmation sent after booking. A deposit, generally 10-30% of the total package cost, is required at the time of booking, with the full amount due 30-60 days prior to departure. Cancellations depend on the timing; earlier cancellations may receive partial refunds, while cancellations close to the departure date often result in no refund. Changes to bookings, such as date or name modifications, are usually allowed but may incur fees and are subject to availability. Travelers are encouraged or required to purchase travel insurance for protection against cancellations, emergencies, or other issues. It is the responsibility of the traveler to ensure they have all necessary travel documents, including valid passports, visas, and any required health documentation. In the event of unforeseen circumstances like natural disasters or political unrest, the tour operator's liability may be limited. Refunds are generally processed within 7-14 days after cancellation.

CANCELLATION POLICY :

- Minimum booking for 2 adults.
- Hotels are strictly non-refundable.
- Hotel check-in at 02:00 PM and check-out at 12:00 PM.
- Hotel room availability depends on current occupancy.
- Price may change without prior notice due to changes in government tax, airline tax, or dollar conversion rate.
